**Subject: Software for Jammu Municipal Corporation.**

Sir,

As you are aware that the Software for various sections of Jammu Municipal Corporation has been designed by NIC for computerization of the operations of various wings.

However, it may be brought to your notice that the software prepared for Single Window for receipt of payments in the Corporation has option for making changes of the entries. Surprisingly, the system has option of making changes even after printing of the receipts which defeats the very purpose of installing the system. It is requested to kindly depute the expert immediately to delete the option of making alterations and may also enquire at your level and fix the responsibility for making this defected software with loop holes for possible leakages.

Yours faithfully,

( Mubarak Singh ) KAS  
Commissioner,  
Municipal Corporation,  
Jammu.
